Production Information

Guidelines for digital media

World Cruise Industry Review is perfect bound and trimmed to 210mm (width) x 297mm (height).

World Cruise Industry Review is printed 100% computer to plate (CTP) using 4-colour printing (CMYK) and sheet-fed litho.

For best reproduction, materials should be submitted in a digital file format.

Platforms supported

Macintosh and PC

Supported software and formats

- Quark (qxd)
- InDesign (indd)
- Illustrator (ai, eps)
- Photoshop (300dpi jpg, tiff, eps)

We cannot accept any files created in Pagemaker, Corel Draw or Microsoft Publisher.

High resolution PDFs

PDFs should be created using Pass4Press specification job option (www.pass4press.com).

All high-res images and fonts must be included when the file is created.

Artwork should be 100% size and include all standard trim, bleed and centre marks outside of the live image area.

Images

For best reproduction, all images must be supplied at 300dpi. Only CMYK colour space is supported.

Fonts

Fonts must be supplied as Type 1 Postscript fonts with associated suitcase file(s).

We cannot use TrueType or Multiple Master fonts.
